No final payment of the Fee or any portion thereof shall be paid to the Contractor without submission to HCC of waivers from each subcontractor who performed any work or furnished any equipment or supplies for the Project. The

1.15 Upon receipt of the Invoice, the HCC Representative shall review same and if he/she agrees that the Services have been performed in a satisfactory manner, and the Work Product thereof is acceptable, the Invoice shall be processed for payment. The Fee or applicable an undisputed portion thereof shall be paid within thirty (30) days from receipt of the Invoice. If Services or Work Product has not met the satisfactory approval of the HCC Representative, current and future payments of the Fee shall not be made until both Parties agree that Services have been completed in a satisfactory manner or the Work Product is acceptable. Notwithstanding anything contained herein, no payment of amounts owed hereunder shall be considered past due or not paid when due except in accordance with Section 2251.021 of the Texas Government Code.

1.16 In the event of termination, or if the Term of the Contract ends on a date that is not a full month after the end of the previous Fee period, or for any other reason for which the Services were rendered for only a part of a month, the Fee for that month shall be prorated for the period by dividing the Anticipated Fee by 264 and multiplying the result by the number of days in the month covered by the period for which the Contractor performed Services that month.

1.17 The acceptance of final payment of the Fee shall constitute a waiver of any claim the Contractor may have against HCC that the Contractor has not previously identified in a notice of claim or demand. HCC reserves the right to retain final payment for thirty (30) days pending successful completion of all assigned tasks, and approval from HCC Representative.

1.26 The provisions of this Section 9 survive the expiration or earlier termination of this Contract.

Any documents, data, work product(s), deliverables, designs, implementation, know how, or any other tangibles and intangibles prepared, designed, or produced by the Contractor in performing the Services under this Contract ("Work Product") are HCC's Property. Neither the Contractor nor any subcontractor, consultant, or employee of the Contractor shall own or claim a copyright or any other form of intellectual property right in the Work Product, and HCC will own them and have all common law, statutory, and other reserved rights, in addition to the copyright, upon creation of the Work Product. DISPUTES; MEDIATION

a. To the extent that Chapter 2260 of the Texas Government Code, as it may be amended from time to time ("Chapter 2260"), is applicable to this Contract and is not preempted by other applicable law, the dispute resolution process provided for in Chapter 2260 shall be used, as further described herein, by HCC and Contractor to attempt to resolve any claim for breach of contract made by Contractor:

(1) Contractor's claims for breach of this Contract that the parties cannot resolve pursuant to other provisions of this Contract or in the ordinary course of business shall be submitted to the negotiation process provided in subchapter B of Chapter 2260. To initiate the process, Contractor shall submit written notice, as required by subchapter B of Chapter 2260, to HCC in accordance with the notice provisions in this Contract. Contractor's notice shall specifically state that the provisions of subchapter B of Chapter 2260 are being invoked, the date and nature of the event giving rise to the claim, the specific contract provision that HCC allegedly breached, the amount of damages Contractor seeks, and the method used to calculate the damages. Compliance by Contractor with subchapter B of Chapter 2260 is a required prerequisite to Contractor's filing of a contested case proceeding under subchapter C of Chapter 2260. The HCC Office of General Counsel, or such other officer of HCC as may be designated from time to time by HCC by written notice thereof to Contractor, shall examine Contractor's claim and any counterclaim and negotiate with Contractor in an effort to resolve such claims.

(2) If the parties are unable to resolve their disputes under subparagraph (1) of this section, the contested case process provided in subchapter C of Chapter 2260 is Contractor's sole and

exclusive process for seeking a remedy for any and all of Contractor's claims for breach of this Contract by HCC.

(3) Compliance with the contested case process provided in subchapter C of Chapter 2260 is a required prerequisite to seeking consent to sue from the Legislature under Chapter 107 of the Texas Civil Practices and Remedies Code. The parties hereto specifically agree that (i) neither the execution of this Contract by HCC nor any other conduct, action or inaction of any representative of HCC relating to this Contract constitutes or is intended to constitute a waiver of HCC's or the state's sovereign immunity to suit and (ii) HCC has not waived its right to seek redress in the courts.

b. The submission, processing and resolution of Contractor's claim is governed by the published rules adopted by the Texas Attorney General pursuant to Chapter 2260, as currently effective, hereafter enacted or subsequently amended.

c. Neither the occurrence of an event giving rise to a breach of contract claim nor the pendency of a claim constitute grounds for the suspension of performance by Contractor, in whole or in part. HCC and Contractor agree that any periods set forth in this Contract for notice and cure of defaults are not waived, delayed, or suspended by Chapter 2260 or this section.

d. It is agreed that such process is not invoked if HCC initiates the dispute by first bringing a claim against Contractor. If HCC makes a claim against Contractor and Contractor then makes a counterclaim against HCC as a claim under Chapter 2260 and in compliance therewith, the HCC's original claim against Contractor does not become a counterclaim and is not subject to the mandatory counterclaim provisions of Chapter 2260 of the Texas Government Code.

The Contractor does not have either the express or implied authority, will in any case represent to third parties, and will whenever needed disclaim to such parties, any ability to bind the HCC to any duty imposed by contract, unless the Board has specifically authorized such action at a Board meeting held in accordance with the Texas Open Meetings Act (appearing in minutes of such meeting).

1.39 The Contractor shall be solely responsible for the benefits and entire compensation of its personnel, including the withholding and payment employment taxes (income tax and social security), worker's compensation, disability, and any similar taxes, benefits, and expenses associated with employment. Overview

HCC has adopted a Small Business Development Program for small businesses attempting to provide goods and/or services as prime contractors or as subcontractors to other prime contractors to HCC. The subcontracting goal applies to all vendors regardless of their status.

If not otherwise defined in this Exhibit C, any capitalized terms used herein shall have the same meaning as set forth in the Contract with an effective date of _____ ("Contract").

The Contractor's failure to comply with the aforementioned small business participation requirements may result in:

- Revocation of any benefits and incentives under the program or suspension or termination of the Contract in whole or in part.
