

RETRIEVING YOUR I-94

How do I access my electronic I-94 record?

After you arrive in the U.S., print a paper copy of your electronic I-94 record from the U.S. Customs and Border Protection website. It is important to check that your electronic travel record is accurate and accessible. Keep the I-94 record paper copy with your other immigration documents.

Problems Retrieving Your I-94?

You may have to try different combinations of your names when entering the data. Refer as well to your airline ticket for possible typos. If you still cannot retrieve your I-94 or if you need to correct an error on your I-94, you will need to go **in person** to the following location:

U.S. Customs and Border Protection
